Suggested Text:

HP Colorado QIC tape cartridges are the best tape cartridges available for HP's industry-leading Colorado QIC tape drives. HP offers a complete line of QIC tapes at very reasonable prices. Every cartridge is preformatted for Colorado QIC drives to save you time and they're certified to deliver the highest level of performance, reliability, and drive compatibility.

Another plus—every QIC tape cartridge comes in its own protective poly case, and HP includes scheduling labels so backup and archiving are clear and simple.
